2012-2013 Membership Drive

Renew your membership this week or at the Annual Dinner and receive a discounted membership, plus 2 months free.

Remember that we are a non-profit organization and we rely exclusively on your help to function. OGALLA works hard to promote equality and inclusion in the legal community, in schools, and for LGBT persons at all levels of society. We are working hand-in-hand with schools to implement the Oregon Safe Schools Act to reduce bullying and harassment based on perceived LGBT status. We work to make our courts more reflective of the diversity of our state. And we are starting new initiatives, including working with the Oregon Department of Justice to make the foster child system safer for LGBT children.

Further, we are committing ourselves to increasing our efforts to provide social and networking opportunities for OGALLA members in the coming year.

Please take a moment to renew your membership now and support the work we do.
